## Protein Kinase C

### Product Information

<b>Cat#</b>	TRA-058
<b>Specification</b>	1mg,5mg,10mg,25mg,50mg
<b>Description</b>	Protein kinase C is a high-purity selective inhibitor peptide for studying PKC activity regulation.
<b>CAS</b>	113731-96-7
<b>Chemical Formula</b>	C <sub>93</sub> H <sub>159</sub> N <sub>35</sub> O <sub>24</sub> (free base)
<b>Storage</b>	Store in the dark at -20°C under nitrogen for 3 years.
