

Creative Enzymes

Diagnostic Enzymes

Alkaline Phosphatase, ≥ 3000 U/mg Protein, Calf Intestine, 50% Glycerol Solution

Product Information

Cat#	TRA-062
Specification	1mg,5mg
Description	High-specific-activity bovine intestinal alkaline phosphatase is supplied in glycerol stabilizing solution for molecular biology labeling and antibody conjugation.
CAS	9001-78-9
Activity	≥ 3000 U/mg
Storage	Store at 4°C for 3 years.
