

Creative Enzymes

Diagnostic Enzymes

Alkaline Phosphatase, ≥ 10 DEA U/mg, from Bovine Intestinal Mucosa

Product Information

Cat#	TRA-064
Specification	100mg,200mg,1g
Description	Alkaline phosphatase (bovine intestinal mucosa-derived) is suitable for preparing enzyme-labeled secondary antibodies in ELISA and immunoassays.
CAS No.	9001-78-9
Activity	≥ 10 DEA U/mg
Storage	Store at -20°C for 3 years.
